Marvin Holmes wins Best Modern Muscle Car Trophy

Marvin and Carol Holmes purchased the 2003 Dodge Viper, which had been raced by Dodge in the 2003

One Lap Competition and was the fastest car of the competition and was 3rd over all. The Holmes are the third owners of this beautiful car. With its 523 hp engine and its great suspension this is truly an American Made Super Car capable of speeds of over 225 mph. On the 5th of July, the Holmes showed the car at the Flaming Gorge Car Show and were invited to the Uintah Basin Car Show held July 19. There they were awarded the trophy for Best Modern Muscle Car. They have now been invited to more car shows not only in Utah but Colorado and other surrounding states than they can possibly attend. "We have found it a lot of fun to go to these shows and meet people and see the wonderful cars, both old and new," remarked Carol Holmes.

Congratulations Marvin and Carol!!!

Forresters meet with Chef Irvine

Charlie & Chris Forrester of the Villa Restaurant were selected as one of three restaurants to meet with Chef Robert Irvine during this year's Sysco Food Show. On June 6th they were able to meet with him at the Train Depot in Salt Lake City. It was a great experience according to Chris and Charlie. They are working at implementing all his great ideas on specials & buffets, pricing, quality of food, recipes, cleanliness and many other topics.

Commissioner's Corner

It has been brought to our attention the Forest Service (USFS) is not being properly funded to maintain the Flaming Gorge National Recreation Area. We ask that everyone who enjoys and uses the area, contact their Congressional Representatives in Utah and Wyoming to address the funding issues on the NRA. The Forest Service has already put in motion an action to decommission many campgrounds in the area and many of the current facilities are in need of upgrades and better maintenance. This will not happen until the funding problems and lack of maintenance personnel that the US Forest Service currently has is solved. We all need to be involved and voice our concerns to turn this situation around.

The Commission had the final public meeting detailing our plan for the Public Lands Initiative. There was a good turn out and many concerns were aired. The Commission will make every effort to ensure these concerns are addressed in the final language that will be put before Congress. We will be spending the next month finalizing our plan and would like to have it to Congressman Bishop by the end of the month.

We invite anyone with an interest or concern to meet with us or give one of us a phone call. We have tried to reach out to the public on this issue, but sometimes the news doesn't always travel as fast as we would like. This is one of the most important actions our county has ever taken and may afford us the opportunity for future growth.

Gloria Avalon Monson Neff

October 2, 1926 – July 15, 2014

Gloria Avalon Monson Neff, our beloved Mother, Grandmother, and friend, slipped peacefully through Heaven's door Tuesday morning, July 15, 2014, into the arms of her dear sweetheart.

She was born October 2, 1926 in Provo, Utah to Albert Lawrence Monson and Bessie Olea Sims. She grew up in Provo, Utah and later moved to Salt Lake City, Utah. She married Albert Hughes Neff for time and all eternity on August 17, 1948 in the Salt Lake City Temple. They spent almost 61 years together in Manila where they raised their family. Her greatest service was to her family as a loving wife, mother and grandmother. She was an excellent cook; one of her greatest hobbies was collecting recipes. She loved to try new things and would mold them into something of her own.

She was an active member of the Church of Jesus Christ of Latter-day Saints and served in numerous callings. She loved working in the temple where she and Albert served for many years.

She is survived by one sister, Beverly Monson Blake of Salem, Oregon. Her children: Robert (Eileen) Neff of Herriman, Utah, Jane (Ken) Hullinger of Vernal, Utah, Steve (Jill) Neff of Sandy, Utah, Margery (Gene) Hullinger, and Louise (Greg) Gosar all of Manila, Utah. She had 27 grandchildren, 45 great-grandchildren and several nieces, nephews, and cousins.

She was preceded in death by her parents, her loving and dear husband Albert, baby son David, brother Danny Rice, and sisters, LaWana Rice Backman and Mary Monson Sawaya. It was a very choice blessing to care for our dear Mother, and we will have many, many memories of those last days that we will never forget. Love till we meet again, Mom.

Gloria's funeral was conducted on July 19, 2014 at the Manila LDS Ward Chapel. Burial was in the Daggett County Cemetery in Manila, Utah. Services entrusted to the Ashley Valley Funeral Home.

Redgy Christensen passed on to his Heavenly Father on March 27, 2014 after a prolonged battle with cancer. He passed at his home surrounded by members of his loving family.

He was born in Rock Springs, Wyo. on March 25, 1943 to Thomas Christensen and Mazie Boren Christensen. He was raised in Manila, Utah and went to school there from grades 1 through 12. He excelled in sports, especially basketball.

and Deanna later divorced. He then married Debby Gardner on March 23, 1970. They have three surviving sons, R. James Christensen, Robert T. "Bobby" (Edene) Christensen and R. Ray Christensen.

Redgy and Debby moved from Salt Lake City, Utah in 1978 to Pingree, Idaho where they presently reside. Redgy was a union ironworker for over 30 years. He was mainly a foreman on several jobs in Wyoming, Utah, Idaho and Washington. He was part owner along with his sons of Christensen Steel, Inc from 1998 to 2002. Two total knee replacements finally forced him to retire in 2002. Redgy mainly enjoyed fishing, hunting, camping, woodworking (especially his barn wood picture frames) and spending quality time with his family.

He is survived by his wife, Debby; four brothers, T. Jerry (Merilee) Christensen, Ronnie T. Christensen, Floyd V. Christensen and Brent (Sue) Christensen; two sisters, Nancy M. Caldwell and Brenda Anderson; several grandchildren; great-grandchildren; nephews; and nieces.

Recycle Volunteers send another shipment to Green River!

Another semi-trailer load of recyclables was sent to Green River totaling over 27 tons of material recycled. This extends the life of the Manila landfill with each load.

The volunteers are still asking that citizens clean and remove labels from the cans. Water and pop bottles (#1 and #2 only, no #5s) needs to have their lids removed. (lids can't be recycled). They also need to be cleaned out.

Please sort and keep materials in bags or boxes in the bins. The recyclable materials are removed by hand. Please no TRASH. Anything that still has product in it will be trash. #5 plastics are trash.

**NOTICE OF EMERGENCY CHANGES
TO THE 2014 UTAH FISHING GUIDEBOOK
OF THE WILDLIFE BOARD FOR THE TAKING
OF FISH AND CRAYFISH**

I, Gregory Sheehan, by authority granted in Section 23-14-8 of the Wildlife Resources Code of Utah declare an emergency amendment to the 2014 Utah Fishing Guidebook. The following has been amended:

Browne Reservoir, (Daggett County):

- INCREASE the daily bag and possession limit for trout from four (4) trout to eight (8) trout.

This change is effective July 3, 2014 and will remain in effect until January 1, 2015.

A drain on Browne Reservoir has clogged and caused backup of flow through the dam. For dam safety purposes, the reservoir is currently being drained. We will identify and fix the problem as soon as we can, but there is no dead pool storage in Browne and therefore we suspect all fish will die in the reservoir due to the drawdown. This change will allow anglers to harvest more fish in an effort to reduce the number of fish that die due to low water.

All other rules established in the 2014 Utah Fishing Guidebook remain in effect.

72-Hour Kit Checklist

You should prepare a portable kit for each member of your family. Consider preparing one for your place of work as well as one for children to keep at school and one for the car.

Emergency Container Tip:

Create emergency kit(s) and store in any type of containers with wheels. Such as for the larger kits; garbage cans, foot-lockers, chest, duffle bags, tote bags, ice chest, various size suitcases or various size plastic boxes. A water-tight container is most ideal for keeping a 72-Hour Kit.

Suggested Areas To Store Emergency Kit(s):

Store grab-and-go food and water container where easy to access in case you are advised to evacuate.

Children and adults keep their emergency kit(s) in their bedrooms. Let the children have responsibility for their own backpack and have the older children buddy-up and take care of younger brothers or sisters. Mom, dad take care of baby.

If a senior citizen resides with the family, also buddy-up and help them for they move slower and a backpack may be too heavy for them to carry.

Don't forget house pets should also have emergency kits to be ready to grab-and-go. Pack the foods pet(s) normally eat, leashes, crates and litterbox.

Re-think where all of your camping gear is located throughout the household. Keep in one area if possible for easy access so you're not looking in the dark with a flashlight for things.

Always keep a pair of hard sole shoes underneath your bed.

Come to our root'n toot'n Flaming Gorge Hootenanny August 23rd

Activities start at noon at the Daggett County Pavilion in the Manila Park and the entertainment will keep going until everyone is too tired to keep playing

Music from various musicians and Cowboy Poetry from Mesquite, NV, Grantsville and Mona, Utah and various local artists. Drop in artists are welcome and appreciated.

There will be a potluck at noon, bring your favorite dish if you would like, but it is not necessary.

Free to the public
