

# WHAT IS CDBG?

The State of Utah Community Development Block Grant program (CDBG) provides grants to cities of fewer than 50,000 people and counties of fewer than 200,000.

The purpose of the small cities program is "to assist in developing viable communities by providing decent housing and a suitable living environment and expanding economic opportunities, principally for persons of low and moderate incomes."

*"The contractors were great to work with!"*

*"When my husband got wheelchair bound I didn't know how I was going to get him in the bathtub anymore. But, with your help I can wheel him right in now!"*

*"I wouldn't have known what to do without your help!"*

*"I got to pick exactly what I wanted, I wasn't just limited to one option!"*
