

DAGGETT COUNTY ORDINANCE #16-16

**AN ORDINANCE AMENDING THE DAGGETT COUNTY GENERAL PLAN
TO INCLUDE THE COUNTY RESOURCE MANAGEMENT PLAN
REGARDING WILDERNESS AND RELATED SPECIAL DESIGNATIONS**

WHEREAS, the State of Utah requires Daggett County (the "County") to prepare and adopt a comprehensive, long-range general plan pursuant to Utah Code Ann. 17-27a-401(1); and

WHEREAS, such general plan shall contain a resource management plan for the public lands within the county; and

WHEREAS, the resource management plan shall address such things as: mining, land use, livestock and grazing, irrigation, agriculture, fire management, noxious weeds, forest management, water rights, ditches and canals, water quality and hydrology, flood plains and river terraces, wetlands, riparian areas, predator control, wildlife, fisheries, recreation and tourism, energy resources, mineral resources, cultural resources, historical resources, geological resources, paleontological resources, wilderness, wild and scenic rivers, threatened species, endangered species, sensitive species, land access, law enforcement, economic considerations, and air; and

WHEREAS, the County's resource management plan shall establish findings pertaining to the above-listed items and shall established defined objectives and outline general policies and guidelines on how those objectives are to be accomplished; and

WHEREAS, the County may determine the comprehensiveness, extent, and format of the general plan; and

NOW THEREFORE, be it ordained that the County Legislative Body of Daggett County hereby amends the Daggett County General Plan to include the County Resource Management regarding wilderness and related special designations as attached hereto.
